
CONVERSIO HEALTH RECEIVES 2016 BEST OF SAN LUIS OBISPO AWARD

San Luis Obispo Award Program Honors the Achievement

SAN LUIS OBISPO August 5, 2016 -- Conversio Health has been selected for the 2016 Best of San Luis Obispo Award in the Pharmacies & Drug Stores category by the San Luis Obispo Award Program.

Each year, the San Luis Obispo Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the San Luis Obispo area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 San Luis Obispo Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the San Luis Obispo Award Program and data provided by third parties.

About the San Luis Obispo Award Program

The San Luis Obispo Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the San Luis Obispo area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The San Luis Obispo Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.
