

### Spotlight on Respiratory Therapists

We are shining a spotlight on our dedicated Respiratory Therapists. Our licensed healthcare professionals specialize in cardio-pulmonary disorders. They play an important role in your healthcare journey.

Let's look at the important ways Respiratory Therapists support your health journey.

Listen

Assess

Educate

**Specialists in Respiratory Health:** Our experienced Respiratory Therapists help you understand the signs and symptoms to monitor for. They simplify the “why” behind your condition, your therapies and even your equipment. They are a liaison between you and your doctor.

**Patient Education:** They play a vital role in education for you, your care givers, and your family. Our Respiratory Therapist gives you the knowledge to empower you to manage your condition effectively.

#### Condition

- COPD
- Asthma

#### Medication

- Rescue
- Maintenance
- Therapy timing

#### Equipment

- SmartNeb
- SmartCap
- Compressor/Nebulizer
- Respiratory devices from your doctor or the hospital

#### Non-medication Therapies

- Breathing Exercises
- Breathing Techniques
- Airway Clearance
- Inspire™ Virtual Pulmonary Rehabilitation Program

**Collaborative Care:** Respiratory Therapists work closely with you to ensure you have a personalized respiratory care routine that suits your needs! They are a part of your team. Remember, as a part of our Conversio community our Respiratory Therapists are here to help you breathe easier and have greater peace of mind.
